Inductee Nomination Criteria

Capstone College of
 Nursing

*Sponsored by the University of Alabama
 Capstone College of Nursing*

The Board of Visitors of the Capstone College of Nursing at The University of Alabama established the Alabama Nursing Hall of Fame by vote of its membership at its March 16, 2001 meeting.

The Alabama Nursing Hall of Fame was created to honor nurses and others who through their work and accomplishments have brought honor and fame to the profession of nursing and the State of Alabama.

The Alabama Nursing Hall of Fame Gallery is now permanently located in the home of the Capstone College of Nursing. The Gallery serves as an archive of the careers and accomplishments related to nursing of those chosen for induction.

The Hall of Fame is governed by the Alabama Nursing Hall of Fame Board comprised of members of the Capstone College of Nursing Board of Visitors. This body establishes the criteria for selecting inductees and the methods for determining eligibility for and election to the Hall of Fame.

Nominations for induction into the Hall of Fame are submitted to the Selection Committee of the Nursing Hall of Fame Board.

The Selection Committee reviews nominations and determines by ballot those nominees to be recommended for induction and submits their names to the Alabama Nursing Hall of Fame Board.
