How to Configure the Android Outlook App for UA Email (for phones & tablets)

The Microsoft Outlook app is the recommended way to access your UA email and calendar on an Android device.

1. On your mobile device, go to the Google Play Store and install the Microsoft Outlook app.

2. Open the app after it is installed.
3. Tap **Get Started**.

CONTINUE ➤
5. Tap the “Advance Settings” switch to view the next screen.

6. Enter `webmail.ua.edu` under Server, `ua-net\[your mybama username]` under Domain\Username, `your myBama password` under Password, and `UA` under Description.

When finished, tap the checkmark in the top right corner.
7. You have the option to add another account. Tap SKIP to proceed to your UA email in Outlook.
